e.service® Fitness Rewards®

- \_\_\_ A. I understand each adult must work out a minimum number of days per calendar month, as required by the employer, to receive the \$20 credit towards the fitness center membership fee. Each adult can qualify for a \$20 monthly reimbursement towards the membership fee. A maximum of two qualifying adults per household may participate in this program.
- \_\_\_ B. I understand there will be a period of time between the completed month and the applied reimbursement. Example: work out twelve days in January, verified in February, reimbursement applied in March.
- \_\_\_ C. I understand the reimbursements issued cannot exceed the total monthly membership for the month the reimbursement is applied.
- \_\_\_ D. I understand that canceling my membership will result in forfeiture of any unapplied reimbursements.
- \_\_\_ E. I understand that it is each adult's responsibility to ensure that their visit is recorded at the time of their workout.
