

2017 AMBASSADOR

DEBI GREEN

Regional Sales Manager
Ashton Staffing

I was born in Williamsport, Indiana. A small farming community where everybody was either a relative or a friend.

We moved to Georgia in the mid 70's. I have lived most of my adult life in Cartersville, which I just love!

I have been blessed with three children and five grandchildren.

Four years ago, I joined the Ashton Staffing team as Regional Sales Manager. Ashton Staffing has served Bartow county for over 20 years and has developed great partnerships with both the manufacturing industry as well as the local school systems.

Two years ago, I became a chamber ambassador which naturally gives me another outlet to meet and assist new chamber members while building community awareness to our beautiful county. I am also a Member of the Church at Liberty Square.

I enjoy volunteering my time and service to the community, boating, traveling, reading and spending time with my family and friends.
