

Event Submission Guidelines

PURPOSE

The Community Calendar is designed to list activities and events which are of interest to a wide audience from throughout our community. Events should be of interest to a cross section of individuals, which goes beyond the organization's membership, and is likely to attract a reasonably large group of participants.

EXAMPLES

The types of events that would be suitable for the Calendar include:

- Events important to community scheduling
- Major fund-raising events for non-profit organizations
- Significant entertainment events and community activities

The types of events that would not be suitable might include:

- Yard and Garage Sales
- Regular meetings of any community group
- Small group activities or fundraisers
- Friend and family events
- Events likely to attract only those who are deeply involved with the organization

MEMBER VALUE

Chamber members are permitted to post business events such as:

- Ribbon cuttings
- Open Houses
- Grand openings
- Workshops

Sale promotions should be posted as a "Hot Deal".

The Elk River Area Chamber of Commerce reserves the right to accept or reject any and all submissions.
