It all starts

out with a few strings of unassuming icicle lights you've hung from the roof of your house. Then, you notice your neighbor's home has a few more lights than yours. You add more, they add more, and suddenly you find yourself in a vicious cycle. Every weekend is spent driving around town to see what the competition has displayed. You find yourself hitting every local retail store in search of more LED lights, inflatable snowmen, and any animated character you can get your hands on! And then the unthinkable; you're on a first name basis with the cashiers. If any of this sounds familiar you're a perfect candidate for ERMU's 2015 Light Up The Neighborhood Contest.

Don't Forget!

If you purchased an Energy Star appliance in 2015, please be sure to have all of your rebate forms into our office by the end of NOVEMBER. Rebate forms can be downloaded or completed electronically on our website at www.elkriverutilities.com. Please be sure the entire form is completed and a copy of the receipt is included with the rebate form. If you have any questions on qualifying products, please contact the office at 763-441-2020.
