

A FREE service exclusively for Farm Bureau members in Minnesota!

Minnesota Farm Bureau Federation's 2018 Direct Marketer

Minnesota Farm Bureau Federation will be publishing its 2018 member-to-member direct marketing listing, *Farm Fresh Direct*, in the May edition of *The Voice of Agriculture*. The directory will be distributed to nearly 30,000 Farm Bureau member families. This is a great way for Farm Bureau members to sell their fresh, processed or value-added agricultural products to consumers.

Farm Bureau *Farm Fresh Direct* categories include, but are not limited to, trees, dairy products, eggs, farm tours, fruits, vegetables, popcorn, wool and wool products, wine, fresh cut flowers and meat products. *Note: Farm Bureau Farm Fresh Direct will not include listings of livestock or breeding stock.*

The *Farm Bureau Farm Fresh Direct* application is also available on our website at www.fbm.org listed under Programs. Applications are now being accepted. This is *free* of charge as a Farm Bureau member benefit.

To promote your direct market business and products to thousands of Farm Bureau members around Minnesota, you must first be a member. [*Join online at www.fbm.org.*] Then, complete the form below and send it to Judy Pilcher at Minnesota Farm Bureau.

Include my Direct Marketing Business in the Farm Bureau *Farm Fresh Direct*

Farm Bureau Membership # (MN) _____ County _____
