

# LYNCHBURG REGIONAL BUSINESS ALLIANCE VOLUNTEER ENGAGEMENT OPPORTUNITIES!

As a membership-driven organization, our goals are achieved when Alliance members lend their collective talent and expertise to move initiatives forward. Together, we accomplish more!

The Alliance offers the following opportunities for engagement for members. Please review and indicate your interest using the form below.

## *Consider the following possibilities:*

### **The Ambassador Team**

Members of the Ambassador Team serve in a public relations capacity to welcome new members, assist in member retention and have key volunteer roles at an assortment of Alliance events. Interested members complete an application and meet with Ambassador members to determine eligibility and qualifications.

### **Legislative Affairs Committee**

The Legislative Affairs Committee identifies public policy issues that affect the business community at the federal, state and local levels. This committee helps the Board establish legislative agendas and priorities, and serves as the voice of business.

### **Lynchburg Region Transportation Advocacy Group (LRTAG)**

LRTAG is involved in working to improve all modes of transportation serving Central Virginia - highways, air service, rail service, public transit and multi-modal concepts. The work of this committee is vitally important to the economic development of the region.

### **Small Business Committee**

The Small Business Committee works to represent and promote the interests of the Alliance's small business membership. Through a number of activities and programs, this committee helps build public awareness for small business in the region.
