

Membership Referral

Referring a member could save you money!

As a member you already know how valuable the benefits of being a member are and chances are you know other businesses that may benefit from these services, too. To show our appreciation to our members for spreading the word, every business they refer* will result in a 10% credit to be used towards next year's membership fees. The credits keep growing - sign up one new member and save 10% on your next renewal, bring in three new members to save 30%, and sign up ten new members to get next year's membership absolutely free!

Help spread the word about our services and benefits to others, enlarge our local Chamber network and save some money - all by just referring businesses to an organization that helps our community and the businesses within it!

*Referred member must successfully sign up for Chamber membership

How it Works:

It's simple, using the attached "Referral Form" fill out as many details as you know and return it to the Chamber (Email: membership@medicinehatchamber.com, Fax: 403-527-5182). Our staff will follow up with the potential member. Upon receipt of application and board approval of the referred business, your company would receive a 10% credit on your account. However, if we do not hear from the referred company in one month's time, we will contact you and allow you the opportunity to follow up with your referral.

What if more than one company refers the same business?

Referrals will only be accepted by submitting the attached 'Referral Form'. Referral forms will be dated upon receipt and upon successful application of a business the first member to refer the business will be awarded the credit.

Is there a limit to how many businesses I can refer? Do I keep track of my own credits?

There is no limit to the amount of businesses you can refer with this program, however, only 10 credits can be redeemed per year to a maximum of 100% renewal savings. Any additional credits will carry forward to the next year. The Chamber of Commerce will keep track of all earned credits to your account.

What if the prospective member was a Chamber member in the past?

In order for the prospective member to be referred and for the credit to be available, the prospective member must have had their Chamber membership lapse for at least one full year.

Can I use credits towards Chamber events?

No, referral credits can only be used towards membership dues.

Membership Referral

As a Chamber member you know how valuable the benefits of the Chamber of Commerce are - and chances are, you know of other businesses that might benefit from these services too. So refer them to us - you'll save on next year's membership while helping to strengthen the Chamber network. Fill out the form below and return it to us as soon as possible (membership@medicinehatchamber.com or fax 403-527-5182).

Your Information:

I am a Chamber Member

First Name: _____ Last Name: _____

Business Name: _____

Prospective Member's Information:

Contact Name: _____

Business Name: _____

Mailing Address: _____ City: _____ PC: _____

Phone Number: _____ Email (optional): _____

Is the prospective member a former Chamber member?

Yes No Unsure

If yes, please list dates of membership: _____

Additional comments:

For office use only:

Date of receipt: _____ Date prospective member was contacted: _____

Contacted by: _____ Date of application: _____
