UNIVERSITY
of ST. THOMAS
MINNESOTA

Founded in 1885, the University of St. Thomas is a Catholic university based in the Twin Cities of St. Paul and Minneapolis. The largest private university in Minnesota, St. Thomas offers bachelor's degrees in over 85 major fields of study and more than 45 graduate degree programs including

master's, education specialist, juris doctor and doctorates.

St. Thomas is an NCAA Division III school and a member of the Minnesota Intercollegiate Athletic Conference. Men and women compete in 20 varsity sports and nearly 40 club teams. More than one third of all undergraduate students participate in intercollegiate varsity or club competitions. Also, nearly 60 teams participate in the intramural sports program, which schedules competition on campus, among local colleges and independent groups.

Handling all of the equipment and laundry for this large department is the responsibility of Kevin Zack, Equipment Manager. Kevin keeps the uniforms, work out gear and towels fresh and clean using the ECOLAB solid technology. Kevin recently encountered some difficult red clay stains on baseball pants when his teams returned from Spring training in Florida. He reached out to MCC Supply Specialist John Sullivan and together they were able to use A.L. Wilson's Yellow-Go to eradicate the difficult stains.

Getting it Clean!

Get wedding dress hems clean without scrubbing and recleaning!

Clean Coat contains a unique blend of surfactants and other soil-removing ingredients to quickly and easily lift and dissolve the soil from the dirtiest and most filthy wedding gown that you have to clean. Cleaning hems is easy with Clean Coat. Just spray the hems and let them sit overnight. The next day, either wetclean or dryclean the gown. You will be amazed when you see how clean the hems are. Clean Coat comes packaged ready-to-use by the gallon with a trigger sprayer. The spray pattern allows for a large surface of the gown to be sprayed very quickly. With Clean Coat you do not need to purchase another spray spotter tank. – **\$53 per Gallon**

Also works GREAT on athletic uniforms and outerwear with ground in dirt

Dry Cleaners

“Shoulder Pads”

- Prevent bumps and dimples on garment shoulders
- Useable with all styles of wire hangers
- Easy to “snap on” for secure fit
- Composition includes 30% rubber providing excellent anti-slip properties

200 pieces per box – \$13.00

R&B Wire Products offers two sizes of Bulk Transport Trucks designed for handling large payloads with maximum efficiency. The reinforced double wall poly base is paired with commercial grade 6” non-marking casters (2 fixed, 2 swivel) which allows for smooth and straight rolling with the heaviest of loads. Additionally, these 6” casters provide the unit with a maximum rolling capacity of 2000 lbs! These Bulk Transport Trucks can be outfitted with R&B’s poly and vinyl covers to protect contents, or spring lift platforms for added safety. R&B offers this line of Bulk Trucks in 14 colors, including four Rotostone options, to match all types of environments.

For even larger facilities, R&B Wire Products offers 78 and 84 Cu. Ft. Capacity Bulk Trucks which can be viewed on their website under Commercial Capacity.

Minnesota Chemical offices and warehouse will be closed on May 29 in observation of Memorial Day.
