## President's Message

As the colors of Autumn fade into the bustling holiday season, the hustle of the holiday months will be in full swing before we know it.

This means that means many of you will be spending some time shopping for those holiday gifts on your list. We're excited this year to add a Chamber gift card to the list of options you may give.

This was the 24th year for our Community Expo. Once again our Community Expo committee did a great job of organizing and planning this highly attended, successful event. Thanks for the many hours of work dedicated to organizing the Expo! Thank you, also, to the exhibitors that joined us and the 7 restaurants that made up the Culinary Corner. I enjoyed meeting all of you that

took part in our Expo. Many of our exhibitors had activities at their booth to make the day fun and the Culinary Corner, as expected, had no problem attracting a crowd. I hope those of you that exhibited at the Expo shared your suggestions and comments with us.

Be sure to mark your calendars for the Chamber's Annual Christmas Party on Tuesday, December 5 at Papa Joe's Restaurant, 14459 S. LaGrange Road. I hope that all of you will join us for a little holiday cheer. My mission this year was to meet and talk with as many of you as I could, but if I have not yet had that pleasure, please reach out to me. Share your thoughts and suggestions with me so that we can continue to make your Chamber better. Don't forget to bring an unwrapped toy(s) or non-perishable canned good(s). All of these donations will be

given to the Orland Food Pantry to help local families during this season of giving.

Lastly, my year as President will end soon after the New Year. Rob Wehmeier will be installed as the Chamber's 2014 President on Thursday, January 30 at Silver Lake Country Club. Be sure to watch your mail for the invitation. We hope you choose to join us and welcome our 2014 Board of Directors and get to know Rob. He will assuredly welcome the opportunity to get to know you better.

Have an outstanding Holiday Season and Be Safe!

*Marc*

Sincerely,  
Marc Lochow

## Mayor's News and Notes

### Welcome, Trustee Dan Calandriello

The newest member of the Orland Park Board of Trustees is Orland Park native Dan Calandriello. The Village Board voted on September 16 to approve Dan filling the vacant seat on the board. Dan holds a law degree from John Marshall Law School and received his undergraduate degree from Marquette University, where he served as student government president. He is a Marist High School grad who served as a staff assistant for the U.S. House of Representatives in Washington, DC after graduating college. He currently serves as an assistant state's attorney with the Cook County State's Attorney's Office.

### Welcome New Businesses

I've been honored to celebrate the grand openings of a number of new businesses in Orland Park as companies continue to choose the village as the ideal location. I know that the chamber members have been busy with all of the ribbon cuttings as we all welcome these new businesses to the Orland Park community. It's nice to be a part of these celebrations as we warmly welcome new business to town.

### LaGrange Road Updates

We have a special section of the village's website dedicated to the Illinois Department of Transportation's renovation of LaGrange Road/US Route 45. See the construction updates located on the left margin of the village's home page. Regular updates are

posted to the village's site, the village's Facebook page (Village of Orland Park) and are distributed via Twitter.

### Property Tax Rebate Update

The Village of Orland Park will again offer residents an opportunity to apply for a residential property tax rebate, as we have for eight of the last 11 years. Residents will again be able to apply online at [www.optaxrebate.com](http://www.optaxrebate.com) or may submit paper applications at the Village Hall. The deadline for all applications is 5 p.m. on December 13, 2013.

### Holiday Season

While we officially welcome the holiday season to Orland Park the Sunday after Thanksgiving, we know that the season is already here! The village has a number of events planned and we invite everyone to be a part of what makes Orland Park the outstanding community that it is.

The village's 25th annual Turkey Trot arrives on Thanksgiving Day. This is a beautiful holiday tradition that the Recreation Department started in 1988. We invite everyone to enjoy a 2.5 mile run on a crisp holiday morning. There will be great prizes and some great camaraderie before everyone goes home to celebrate. The Turkey Trot sells out every year so give the Recreation Department a call at 403-PARK for details.

Our Winter Festival is Sunday, December 1 at the Civic Center with Santa's arrival and activities for the whole family. Join us as we light Orland Park's community tree

in front of the Village Hall at 5:45 p.m. See the village's recreation program guide for details about other holiday events including Santa's Pit Stop at the Sportsplex, the Polar Express Train Ride and the theatre troupe's presentation of "A Simple Miracle," all of which add to the holiday spirit in Orland Park.

### Orland Park Community Tree

And, speaking of the tree, all individuals, families, businesses, organizations, churches and the like are invited to create ornaments for the community tree. Visit the village's website at [www.orlandpark.org](http://www.orlandpark.org) for ornament details and make sure your business is part of this great Orland Park tradition.

### Village's Social Media

If you're on Facebook, remember to like the village's page at Village of Orland Park, Illinois. Don't forget the Illinois. Follow the village on Twitter @VillageOrlandPk and you can see many of the village's cable television productions on our YouTube channel at [VillageofOrlandPark](http://VillageofOrlandPark).

### Holiday Wishes

On behalf of the Orland Park Board of Trustees and the village staff, I extend to each of you our best wishes for a happy, healthy and safe holiday season.

Daniel J. McLaughlin, Mayor  
Village of Orland Park

## We're Here to Help...

*NOTE: Many local businesses are being impacted by the construction on LaGrange Road. As a Chamber, we decided that we needed to be proactive and let these businesses know that we are here to help. In this spirit, our Chamber will be putting together and distributing Welcome Bags for new residents containing promotional items/coupons supplied by these businesses. They will be distributed by our Ambassador Club to new residents of Orlando Park. There is no fee from the Chamber for this service to our business community.*

*We asked debi Ross, owner of Inside Looks by debi Ross and*

*OPACC Board member, to share with us her experience calling on these companies. She shared the following with us.*

On a recent Wednesday afternoon Michelle Sabbia and I had the opportunity to visit several businesses in the construction corridor along LaGrange Road. With all the changes to Route 45 (LaGrange Road) the OPACC Board decided that we should all play a role in whatever manner we could to help our local businesses. The intent was to offer the assistance of the Chamber in the days ahead.

What a warm and amazing welcome we received. Each time we entered the store we were able to meet with the decision makers. We communicated the role of the Chamber in this construction project and our desire to help. The owners, managers and staff were very impressed that we would take time to visit them. The Chamber's show of support was appreciated by all: these businesses knew they were not alone.

Michelle and I walked out feeling so proud of our Chamber: we had stepped in and offered to be part of the solution rather than sit idly by complaining. A bonus to the Chamber: we made great connections! Not all of the businesses we visited are current chamber members: now they have a positive experience with our chamber. Membership was not the purpose of our visit and all of these business owners recognized that and respected our effort to help. I cannot think of an afternoon I've spent on behalf of our Chamber that was better spent than that day.

Thank you, Marc and the OPACC Board for this decision. I was proud to serve the community in this role.
