Chamber Supports One-Penny For Schools And Local Infrastructure

The Chamber of Commerce of the Palm Beaches is pleased to join with numerous member businesses in supporting the one-penny sales tax on the ballot in Palm Beach County. The dollars generated by this one penny will be used only for infrastructure projects in our local schools, county, and municipal governments. The temporary increase will expire in 15 years or less. Tourists and visitors to Main Beach County will account for approximately 20 percent of the revenue from this temporary one-penny increase. This collective action to improve our infrastructure and economic development is essential for the betterment of our community.

There was nothing but newsletters and strategic alliances being built at Business After Hours hosted by Blue Martini. A special thank you to Events Manager Jaime Julese for the outstanding presentation and hospitality! Be sure to join us for our Nov. 17 Business After Hours at Mellow Mushroom.

YPOP Hotspot at Tijuana Flats

The Young Professionals of the Palm Beaches ‘got saucy’ at the October YPOP Hotspot hosted by Tijuana Flats (Palm Beach Lakes). Thank you to Marketing Coordinator Isabelli Biggs for raffling off a hot sauce package and a Tijuana catered office party! The next YPOP Hotspot will be on Nov. 15 at Copper Blues Rock Pub & Kitchen from 5-7:30 p.m. YPOP Events are free to 2015 YPOP Members, but you are encouraged to join YPOP please contact Marina Roiest at mroie@palmbeaches.org.
