Legislative Day in Austin

For the 85th Texas Legislative Session this Spring, Tech Titans will partner with the Richardson Chamber of Commerce to host Richardson Legislative Day. Community and business leaders travel to Austin to attend informative programs, meet with legislators and their staff, and visit the Texas Capitol. In 2015, activities included a reception and dinner with elected officials, as well as breakfast hosted by Senator Van Taylor, Representatives Angie Chen Button, Jeff Leach and Linda Koop. A visit to the House and Senate Galleries was followed by briefings with the Chairman of the House Transportation Committee and the Public Education Committee. We also heard briefings from the Texas Comptroller, Chairman of the House Ways & Means Committee, and others. Join us! It's a lot of fun and educational, too.

Activities and speakers vary year to year. Don't miss this exciting opportunity to meet your elected state officials! Sponsoring at one of the levels below gives you good access and recognition to the state elected officials.

Real Estate Advisory Luncheon (“REAL”)

The purpose of the Richardson Economic Development Partnership’s Real Estate Advisory Luncheon is to obtain feedback, advice and suggestions from major Richardson non-retail commercial property owners and their representatives on how the REDP can improve its effectiveness in economic development. In addition, the luncheon enables the Chamber and City economic development staff to create and build partnering relationships with property owners who are often key allies in REDP’s efforts to facilitate corporate expansions and relocations.

REAL meets twice a year, once in the spring and again in the fall. Invitations are extended to approximately 20 of Richardson’s largest commercial property owners. The luncheon is held in a private, quiet location in Richardson and has an informal, collaborative and participatory atmosphere.

The Luncheon Sponsor may sponsor 1 or both annual luncheons. The Luncheon Sponsor pays directly for all costs associated with food, drink and venue. Location of lunch venues are all subject to approval by REDP.

The Luncheon Sponsor may make brief introductory remarks to the group and distribute marketing materials.

Get your business in front of the thousands of people on the Chamber's weekly calendar emails. Whether you choose to include an article, member news, or want to just place an ad or logo in the left column, you'll get the word out to lots of eyes! Advertising in the left column of the Chamber weekly email calendar (distribution of 8,000) may be placed for \$150 per week (\$100 for members). Ads include a logo and up to 25 words, subject to Chamber staff editing.

Banner Advertisements

Advertise your business using banners, which are used throughout the Chamber's website. Your ad will be placed within these main pages across the RCC Website:

- Main Business Directory Search page
- Particular Business categories
- Other ChamberMaster pages (Hot Deals, Events, etc)

Pricing starts at \$200 per month for your banner ad to be placed across the website. For an additional \$50, we will create your banner for your organization (includes logo, 25 character limit, and one review). If you would like to create a banner yourself, the default size for the banners will be 460w x 60h.

Shop/Dine Richardson

Richardson continues to grow at an exponential rate thanks to an influx of new businesses and restaurants. As such, the Chamber has developed Shop/Dine Richardson, a program aimed at connecting Richardson's communities to the quality products, services, and restaurants available from Chamber businesses.

If you are a Chamber member, you are eligible to run an ad in the weekly Friday email. Your email will be part of a rotation of other Chamber businesses who have signed up for the program. Subscribers include 1600 Richardson consumers and has a 60% open rate. Your ad will be put into a rotation based on the order we received ads.
