Our programme of weekly classes promotes coordination, balance, rhythm and flexibility and enhances your child's listening, emotional, social and intellectual skills. Children thrive in our non-competitive environment where professional and friendly instructors reward children for their individual effort. Running. Jumping. Tumbling. Exploring. THE LITTLE GYM

BIRTHDAY BASH

Welcome to The Little Gym

Thank you for your interest in celebrating your child's birthday with us. Children love our Birthday Bashes and so do Mums and Dads. The Little Gym® Birthday Bash is a time to relax and enjoy the fully supervised party where you have exclusive use of the whole gym.

Our lively and friendly staff complement our custom-designed facilities. Every party includes plenty of music, movement, games and FUN. We mean it when we say our birthdays are no fuss because we do everything from providing the invitations to the clean-up of the party. Children have a blast and parents can sit back and enjoy the special occasion.

Why The Birthday Bash is so special

Children will have one hour to explore the gym where instructors will facilitate age-appropriate games and physical activities. We use our special gymnastics equipment (bars, beams and tumble area) as well as our parachute, balls and hoops. After an hour of fun and games in the gym, we have time for birthday cake in our specially decorated party area. The party is private so your child and birthday guests will have 100% of our attention. We handle all the details... you just show up with the children.
