

Summertime Treats

BBQ's, Picnics, Glamping...it's what summer is all about! Join us as we explore summer treats that are sure to beat the heat...and tantalize our taste buds!

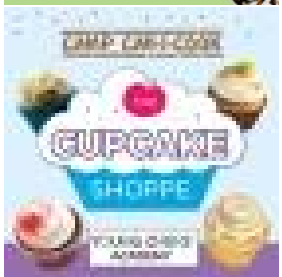

International Culinary Tour

Haemul Pajeon, Ukoy, Hotteok? What do all of these have in common? They are delicious recipes unique to the countries you will explore ONLY at Young Chefs Academy during our International Culinary Tour. Come Taste the Journey!

YCA Showdown: Secret Ingredient Edition

Hummm...who knows what surprises await during this week's camp! What will each day bring? Only our young chefs will know once they unlock the secret ingredient of the day, not only will they learn the secret of the trade, but will let their creative juices flow as they create unique dishes of their very own. Who needs a recipe?!

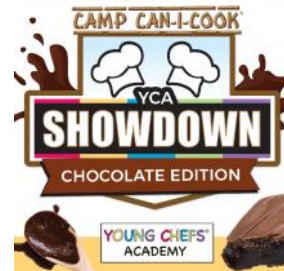

The Cupcake Shoppe

Be the master of your very own Cupcake Shoppe as you learn design techniques and skills used to construct the most delicious concoctions that taste as great as they look!

It's a Summer Party

Summer's not summer without a party! Join us as we party our way through summer with unparalleled festive and delicious dishes.

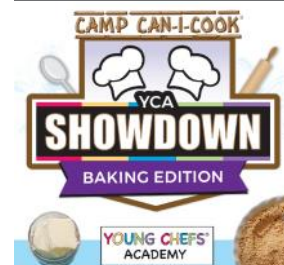

YCA Showdown: Chocolate Edition

Chocolate, sweet chocolate! Our Chocolate Showdown will be filled with friendly competition each day where our Young Chefs will master the art of chocolate. Surprises await around each corner as students will use their creativity to concoct some of the most delectable dishes.

Summer Road Trip

Have you ever dreamed of going on a culinary food trip through the United States? Join us as our taste buds travel and explore cuisines from coast-to-coast during this culinary escapade! Buckle up for adventure!

YCA Showdown: Baking Edition

Teams will compete in a series of challenges each day after learning tips and tricks from the master chefs at Young Chefs Academy! Sweet and savory will connect to bring the most delicious creations to life. Bring it on!!

Best of Summer 2018

Join us as we create the summer's best dishes! A compilation of all of our camps.
